6. (Secret - JGO) Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, and discussed with him the Agency retirement ceiling. It is Slatinshek's opinion that until the Committee shakes down a little more such matters will have to be held in abeyance. It is his present feeling that any review of an Agency retirement matter may well open up the whole retirement program for review by the Committee so that it may be some time before such legislation should be presented to the Committee.

I briefed Slatinshek on my earlier meeting with Herb Roback, Staff Director, Legislation and Military Operations Subcommittee of the House Government Operations Committee, and reviewed with him the New York Times article concerning construction of a Soviet aircraft carrier. Slatinshek had no questions on the carrier item. I also briefed him on Chinese communications systems and Soviet SS-X-18 ICBM.

7. (Internal Use Only - PLC) Robin Russel, in the office of Representative James C. Corman (D., Calif.), called and inquired as to the address of the Agency that a constituent's company that wanted to do business with the Agency could write to. After checking with Logistics, I called her back and gave her the information.

8. (Internal Use Only - RJK) Delivered to the offices of Senators Edward Kennedy (D., Mass.), Hubert Humphrey (D., Minn.), Henry Jackson (D., Wash.), Harry F. Byrd, Jr. (I., Va.), Harold Hughes (D., Iowa) and J.W. Fulbright (D., Ark.), and Representatives Wilbur Mills (D., Ark.), Richard Ichord (D., Mo.), and Henry Reuss (D., Wis.) FBIS items in which their names were mentioned.
